# **NASA's Innovations in Climate Education (NICE)**

## **As you begin logging on to the community discussion, please be aware of the following:**

- **The meeting will be held via Adobe Connect. Here is the link to enter the meeting room: [connect.arc.nasa.gov/nasa\\_education](https://connect.arc.nasa.gov/nasa_education)**
- **We discourage the use of Internet Explorer as technical difficulties have been encountered with Adobe Connect when using Internet Explorer on both PCs and MACs.**
- **We advise using Google Chrome with a PC for the best performance.**
- **We have found that Safari and Firefox both perform well with Adobe Connect on MACs.**
- **You may need to install the Adobe Connect "Add On" if you have not used Adobe Connect before.**
- **If it is required on your system, you will be prompted to install it after clicking on the link. This will only take a few seconds to load.**
- **Please feel free to log on early (between 1:45-2:00) if you would like to test your system.**
- **For further technical support, please contact Bonnie Murray via TEXT at 540-958-1295 or via EMAIL at [bonnie.murray@nasa.gov](mailto:bonnie.murray@nasa.gov).**
