CO Meeting 9/6/13

- 115 attendees, 10 on webcast
- Mix of district, informal, researchers, PD, curriculum developers....
- Five DRAFT options presented by CO DoE
 - Full adoption
 - Adopt augmented CO standards
 - Local augmentation only
 - Revise CAS informally
 - No adoption

Goals for communities

- Make a case for adoption in CO
- Tag and communicate about existing resources
- Develop localized instructional sequences
- Change professional development models to support NGSS

Questions for NICE

- What's happening in your state?
- What is motivating in your state?
- What would be helpful to do as a community?
